SUMMARY

AI Master's student with experience in research, data analysis, documentation, and AI-powered solutions. I enjoy understanding complex problems, working with data, and exploring how AI can be applied to create practical value. Through my academic and professional experience, I have supported AI experimentation, structured analysis, and cross-functional projects while continuously learning and adapting to new technologies.

EDUCATION

- **b-tu Brandenburg University of Technology Cottbus-Senftenberg** October 2024 - Present
MSc in Artificial Intelligence Cottbus, Germany
- **IU IQRA University** 2020 - 2023
Bachelor of Computer Science Karachi, Pakistan

EXPERIENCE

- **Exzellent** January 2026 - April 2026
Research Intern - Artificial Intelligence Brandenburg, Germany - [Remote]
 - Supported generative AI experimentation and evaluation for language coaching and personalized feedback systems.
 - Prototyping and evaluating conversational AI agents for educational use cases.
 - Using PyTorch and Hugging Face Transformers for experimentation, along with GitHub, Kaggle, Notion, Slack, and Bitrix24 for collaboration and workflow management.
- **Exceed Technologies** October 2023 - August 2024
Front End Engineer Karachi, Pakistan - [Remote]
 - Developed and maintained frontend features for web applications using modern web technologies.
 - Collaborated with developers and stakeholders to support project delivery and feature implementation.
 - Managed tasks through Jira and supported version control activities in a remote team environment.

PROJECTS

- **AI-Supported Content & Workflow Optimization**
An AI-assisted research and structured documentation workflows, improving project efficiency and reporting consistency
- **Conversational AI Evaluation Study**
An evaluation framework to assess AI-generated responses, analyze output patterns, and document structured recommendations

SKILLS

- AI Research & Applications
- Data Analysis
- Documentation & Reporting
- AI-Assisted Workflow Optimization
- Team Collaboration & Project Coordination
- GitHub, Jira, & Collaboration Tools

CERTIFICATIONS

- **Machine Learning Specialization** (DeepLearning.AI)
- **Career Essentials in Generative AI** (Microsoft)
- **AI for Everyone** (DeepLearning.AI)
